

Satellite Gym Boy's Winter League 2016 Sign Up information:

For Teams: We will take your sign up and as soon as we know how many new teams we can take this year we will fill our spots starting with the youngest teams and working up. We also give priority to Putnam City area based teams. We will notify you as soon as possible. We do not accept organization or "paid coach" teams. We reserve our spots for regular little league parent or volunteer coached teams.

For Individual Players: When you sign up a player, we will add that player to our list of players looking for teams. If any of our teams that sign up have less than 10 players, we require them to take a player from the sign up list. In some cases, if we find a coach and have enough players in a given age group will form a new team for that coach. Our coaches are required to have background check and have completed an online training class for coaching youth basketball. Keep in mind that our coaches are volunteers and some have more experience than others. If your child gets placed on a team, please communicate with the coach regarding his/her philosophy regarding coaching, playing time, discipline, etc. As a parent, it is your responsibility to be sure the coach is appropriate for your child. Practice times and/or locations will be up to the coach your son is assigned to.

General Information - Our teams combine with teams from Yukon, Mustang, El Reno and Piedmont to form the Northwest Basketball association league.
